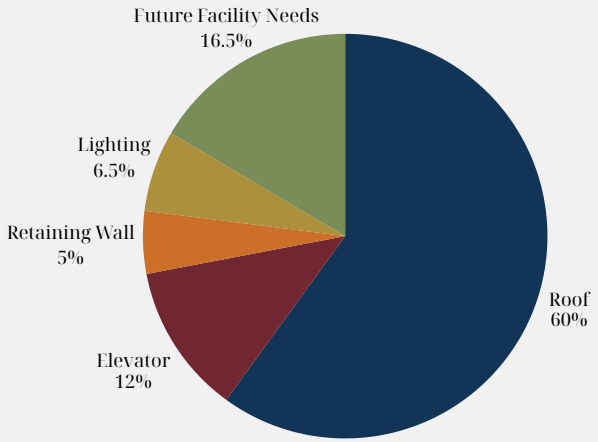
LOOKING BEYOND TODAY'S NEEDS

While the projects outlined in this brochure are our current priorities, responsible stewardship also means planning ahead.

Construction costs continue to rise, and every historic building requires ongoing maintenance and investment. Funds raised beyond the known project costs will help address future facility needs, provide flexibility for unforeseen repairs, and strengthen Holy Redeemer's ability to care for this church for generations to come.



DONATE TODAY

TOGETHER WE WILL BUILD UPON OUR BLESSINGS

Every gift, no matter the size, is an investment in the future of Holy Redeemer Church. Together, we can honor this sacred place, strengthen our parish, and ensure it remains a welcoming home for generations to come.

BUILDING ON BLESSINGS

HOLY REDEEMER CHURCH CAPITAL CAMPAIGN

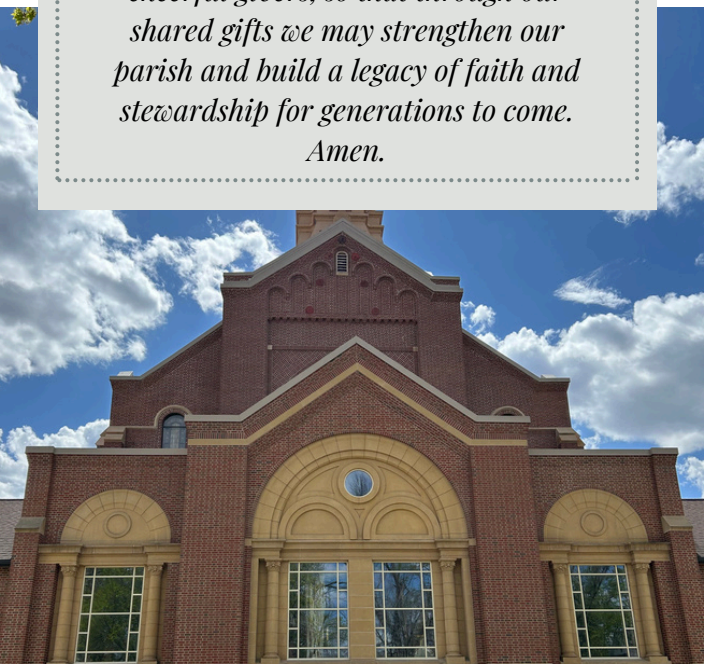
Cheerful Giving.
Lasting Stewardship.
A Stronger Parish Future.

CAMPAIGN GOAL:
$1 MILLION

WHY NOW?

For generations, faithful parishioners have sacrificed, prayed, and given so that we could worship in this sacred place. Now it is our turn to build upon those blessings and ensure that our church home remains strong, beautiful, and welcoming for generations yet to come. We invite you to join us in praying for the success of this capital campaign.

O God, you are the giver of all gifts, *we thank You for the abundance of blessings You have entrusted to us from every generation. Open our hearts to be cheerful givers, so that through our shared gifts we may strengthen our parish and build a legacy of faith and stewardship for generations to come. Amen.*



OUR PRIORITY PROJECTS

New Roof

Estimated Cost: $600,000
The roof, last updated in 2003, is due for replacement to address ongoing water intrusion and protect the integrity of the church.

Elevator Modernization

Estimated Cost: $120,000
Update the elevator to meet Minnesota safety code requirements while ensuring accessibility for all parishioners.

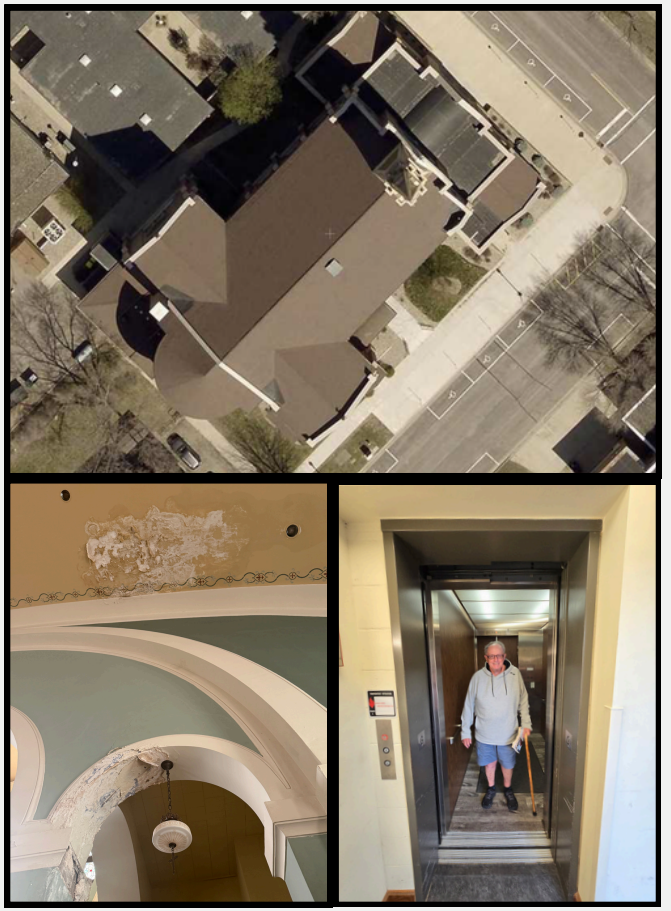
Retaining Wall Replacement

Estimated Cost: $50,000
Improve drainage around the church and help eliminate moisture issues affecting the building.

Church Lighting Improvements

Estimated Cost: $65,000
Improve lighting throughout the church to enhance worship, visibility, and the beauty of our sacred space.

CARING FOR OUR CHURCH



Replacing the roof is a critical step in addressing ongoing moisture issues, along with the needed plaster repair in the balcony.

Modernizing the elevator to comply with Minnesota safety code changes.

BUILDING A LEGACY OF STEWARDSHIP.
STRENGTHENING OUR FUTURE.
